To the Sophomomore Class we leave our adequate library and the care of the oncoming Freshies.

To the Freshman Class we bequeath our corriculum and hope that it is enlarged so as to excel ours. We also leave them our sense of humor and good sportsmanship.

Now, if the Juniors will kindly cease their sobbing, and our dear teachers dry their eyes, we will proceed by individually bequeathing the following:

Ellsworth

Ellsworth, nature's beautiful town of the hills
Is noted for the coal it ships to the mills,
Even a bird's eye view from Peterman's hill
Gives to the spectators a lingering thrill.

As we look at the beauty of the town below
The eye observes each well kept row
To the south is H-row, to the west is J-row
To the north is A-row, to the east is K-row.

The attraction of the beauty in the town
Lies in the unique lay of the ground
A dam to the left, a dump to the right
Whose fires keep burning day and night.

In summer the grass is always green
While each yard is kept tidy and clean
The beauty of the lay does not retreat
From the radiant flow of the sun's heat.

Autumn is the busy season of the year
When the nights are still and clear
Then we gather all the fruits and grain
To save them from the snows and rain.

Peaceful and upright is the town
Since the inhabitants seldom frown
They've grown to love and respect this spot
Where love and beauty are always taught.

Junior Class History

In the fall of 1935 there were many gay boys and girls approaching with confidence a new chapter of their lives. They were the Freshmen of yesterday but are the Juniors of today. The members of the class put aside their childish pranks and began to take interest in their class and the school. No officers were elected the freshmen year, but the class became acquainted with the faculty and classmates.

During the sophomore year the following officers were elected:

President - Thomas Lloyd
Vice President - Peter Patasky
Sec. and Treas. - Helen Rodgers

The class colors chosen were orchid and gold.

The class motto decided upon was "Deeds not Words". A Halloween Dance, which proved to be a success was the class first social activity.

At the beginning of the year 1937, the sophomore class advanced to the rank of Juniors. The class colors and motto of the preceding year were retained.

The Junior-Senior Prom which is annually given as a farewell dance for the seniors was held April 29, 1938 at the Bentleyville gymnasium. The music was furnished by Stan Vinton and his Orchestra.

After graduation a trip to some point of interest is a tradition of the school. The present Junior class plans to visit the New York World's Fair in 1939 instead of the customary tour of Washington D. C.

There's a school in Pennsylvania,
That's mighty hard to beat,
By the winding highway,
Where the heavens and the slate
dump meet.

Our building is no beauty,
But Mikesell keeps it bright,
And our handsome brainy faculty,
Are just about all-right.

When danger nears our football team,
Let's not a moment delay,
With the black and orange high above us,
We will root for them to play.

Then with our hearts filled with loyalty,
We're sure to win the day,
When dear old Ellsworth-Cokeburg High,
Sticks out her chest to play.

AUNT ABBY ANSWER AN AD

There is a belief that there is nothing new under the sun, but the Senior Class proved this to be wrong when they presented the screamingly funny three-act comedy, "AUNT ABBY ANSWER AN AD", on February 22, 1938

Aunt Abby (Beula McGregor) a confirmed old maid, is forced into answering an ad for a husband. She spurns the love of Horace Harter (William Crew) for the exciting romance given her by Billy Barberton (Chuck Hahn) and Billy Barrington (Hazen Lloyd). Lucindy Lovejoy (Marie Lese) is the Hired maid and Essie Ebbersole, a nebby little tattle-tale, is played by Christine Ross.

Anne Ainsby (Margaret Babo) and her chum Lillian Lorraine (Marcella Charles) furnish the love interest. Horace Harkwell (John Ross), a lonely widower, is the object of Aunt Abby's affections.

Mrs. Purviance (Anne Kupir) gives Aunt Abby the facts on "How to get a Mail-Order Husband."

The work of selecting and directing the play was ably handled by Miss Dorothy Law and Mr. Ray Wardrop.

Football

The Ellsworth - Cokeburg football team enjoyed a successful season despite losing all but two lettermen the previous year, going through a stiff eight-game schedule, winning two games, and losing five, of which two were with double A schools, and tieing one.

At the beginning of the season Ellsworth faced Charleroi as a curtain-raiser, with only eight days of practice available.

Coach Holland built the entire eleven around John Ross and James Gauriloff, his two lettermen. The local eleven was white-washed by a score of 54-0.

The outlook for the season looked dim but in the next encounter, they surpriseingly held the strong California team to a lone touchdown which was made in the last minute of play.

The Cokers dropped their third contest to Jefferson High School by a 26-14 score.

The E. C. gridders snared their initial win at home, by downing the East Bethlehem team by a score of 19-7.

In the battle of the year, midst a steady downpour of rain, the local footballers beat the Bentleyville Bears by a score of 6-0.

Leading the Belle Vernon eleven by 19 points with five minutes remaining to play, the local team was defeated by the score of 20-19.

East Pike Run High and Ellsworth teams played a scoreless deadlock and in the final game of the season, the home boys dropped a one-sided battle to the Centerville eleven by the score of 26-0.

Coach Don Holland's material for the past few years has been poor, but the outlook for the 1938 football season looks the brightest since he came.

Intramural Athletics

The word intramural is the name that has been coined to apply to all athletes of a nonvarsity nature. The scope of its work takes it everywhere within the high school, the goal in view being to reach every student who is interested in any form of sport. Said Aristotle so many years ago, "The principle aim of gymnastics is the education of all youth and not simply that minority of people highly favored by Nature."

Intramurals came into prominence after 1925 with our high school making a fair bid this year. We have included in our program basketball, foul-shooting, volleyball and soft ball. Intramurals are governed by a council consisting of a intramural manager and two members from each class under the supervision of Mr. Adamson and Mr. Holland. The plan for competition is as follows: 10th, 11th, and 12th grades compose the senior group; 7th, 8th, and 9th the Junior group. Thus far along, the 12th grade holds the edge in total points scored with 9A seotion repeating in the Junior group.

The foul shooting contest was a walk-away for the Di Nardes, Arco scored 39 out of 50 foul shots, with Gilbert running a close second.

CANDLE LIGHT SERVICE

ORCHESTRA

CandleLight Service

The Ellsworth Girls Glee Club presented its annual Christmas CandleLight Service, December 17, 1937.

Sixty girls participated in the Service, each wearing a white robe. During the processional, the girls carried lighted candles and sang Adeste Fidelis. All observers proclaimed it a beautiful and inspiring service. One main event of the evening was an instrumental quartet given by four members of the orchestra.

The Girls gave the Cantate "Night of Holy Memories," arranged by Ira B. Wilson. The Service was conducted by Miss Eloise Bates who was assisted by Miss Ruth Freeman.

The soloists were Hope Miller, Helen Rodgers, Letty McNulty, Elanor Homme and Ruth Thomas.

The enterprise yearly has been successful.

Orchestra

Under the capable direction of Miss Ruth Freeman, the musicians, twenty-seven in number, received a fine musical education.

The orchestra consists of violins, trombones, saxaphones, trumpets, mandolins, guitars, drums and a piano. The brass section participated in the Christmas CandleLight Service.

Using this group as a nucleus the school plans to build it up into a large organization, from which a band might also be selected.
